

Greater Savior

Amelia Charles | Fraser Campbell

Key- C

-Intro Chorus Line- (F, G, Em, Am)

VERSE 1

When the world is crashing down
And all is shaking, all is braking
When waters rise and stars crash down
No I'm not shaking, I'm not shaking

PRE-CHORUS

Cause you are greater, a perfect saviour
No place is safer, than with you

CHORUS

Ain't no walls gonna hold me
Ain't no valley too lonely
Ain't no mountain too high No oh oh oh oh

VERSE 2

You make ways through unseen doors
To open spaces, Brand new places
With you I've found so much more
A love that strengthens, strength that brings change
